THE TRUSTED CHOICE IN PRECAST CONCRETE STAIR TREADS SINCE 1962

Bertelson Precast manufactures high-performance precast concrete solutions that are designed for easier installation, strength and longevity.

Our USA-made products are manufactured using time-tested proprietary processes by our team of skilled and dedicated craftsmen at our seven acre facility in Modesto, California. We are constantly innovating our manufacturing processes and products to meet our clients' needs.

We've earned a reputation as a client-centric company, dedicated to superior craftsmanship and design. Our goal is to provide you the best in precast concrete solutions: exactly what you need, when and where you need it, within your budget. You can depend on us

SELECTION. STRENGTH. STYLE.

Whether you're an architect, builder, general contractor or property manager, we have the right stair tread for your project. From our sturdy basic ValuTread, to our popular indoor/outdoor VersaTread, to our elegant interior MiraTread, our stair treads are perfect for just about any situation.

With products for both exterior and interior usage, our sturdy and durable precast concrete stair treads and landing platforms come in a variety of sizes, colors, styles and finishes to suit your project's design.

ValuTread™

Designed for multifamily and single-family residential and commercial applications, our economy-priced ValuTread line, available in both open and half riser styles, is ideal for projects that require a durable basic stair tread that stands up to high foot traffic.

VersaTread™

Our VersaTread line is recognized for its versatility and sturdiness. Easy to maintain, and available in a wide variety of sizes, colors and styles, these popular stair treads and landing platforms are designed for both exterior and interior use, and are durable in any weather condition. Available in closed riser style only.

MiraTread™

Decorative polished interior stair treads and landing platforms create a dynamic look to a staircase and can add a stylish and uniform look to any building, campus or event center. Whether you're creating a contemporary or classic design, our MiraTread line offers the perfect fusion of high-end style and functionality. Choose from an array of striking color combinations and finishes, or talk with our sample department about creating a custom mix.
