

BERTELSON

precast

Wall Caps - The Perfect Finish. Enhance the appearance of concrete walls and columns with our stylish selection of durable designed-for-all-weather wall and column caps that will give your project the perfect finish. We offer a variety of sizes, styles and colors from which to choose. Caps are available in end pieces, radius pieces, straight pieces, and column caps.

Time-Tested Creative Solutions

Since 1962, Bertelson Precast has been working with architects, designers and general contractors to develop attractive, durable and high-performance precast concrete solutions that help bring your creative designs to reality.

Our **USA-made products** are manufactured using time-tested proprietary processes by our team of skilled and dedicated craftsmen at our seven acre facility in Modesto, California. Our superior quality products are designed for easier installation, strength and longevity.

We've earned a reputation as a client-centric collaborative company, dedicated to superior craftsmanship and design. Whether your design calls for "off-the-shelf" products, or custom solutions, our goal is to provide you the best in precast concrete solutions: exactly what you need, when and where you need it. You can depend on us. See reverse for more information.

Wall Cap Color Selection. Custom colors are available.
